MAYFAIR PAD London launch party

It's that time of year when London turns all arty, so no wonder that one of the hottest parties last night was the PAD London launch, a contemporary art fair smack bang in the middle of Mayfair. [Blaise Patrick](#) and [Allegra Hicks](#) were among those skipping across Berkeley Square to pick out a piece for their private collections, and the [Barzuns](#) were there too - always a sign that a party is a winner.
